**STIPULATED MOTION TO REVISE SCHEDULE FOR SUMMARY JUDGMENT
BRIEFING AND [PROPOSED] ORDER**

On April 5, 2018, this Court entered an order setting the schedule for the parties' briefing. ECF No. 29. The parties have followed this schedule: Plaintiff Center for Food Safety filed their Motion for Summary Judgment for case No. 2:17-cv-01209 on April 30, 2018 (ECF No. 31); Plaintiff Coalition to Protect Puget Sound Habitat filed its Motion for Summary Judgment for case No. 2:17-cv-00950 on April 30, 2018 (ECF No. 36). On July 11, 2018, Federal Defendants sought and all parties agreed to a 14-day extension, which the Court ordered. ECF Nos. 42 (case No. 2:17-cv-00950) and 41 (case No. 2:17-cv-01209). The parties have followed this revised schedule, culminating most recently in Federal Defendants filing their cross Motion for Summary Judgment and Opposition briefs on August 6, 2018 (ECF Nos. 43 and 44) and Defendant Intervenors filing their cross Motion for Summary Judgment and Opposition briefs on August 6, 2018 (ECF Nos. 44 and 45).

Under this schedule, Plaintiffs' Oppositions to Cross-Motions and Replies are due October 19, 2018. However, due to uncontrollable conflicts in Plaintiffs' counsel's schedule, combined with unexpected illness, the Plaintiffs have requested and the other parties have stipulated to a modest fourteen-day revision to this deadline, which would extend the remaining deadlines as well, to account for the end of year holidays, and otherwise retain the schedule previously stipulated and ordered:

November 2, 2018	Plaintiffs' replies and oppositions to cross-motions due. ¹
-------------------------	------------------------------------------------------------------------

¹ Because the cases are not consolidated, the Coalition to Protect Puget Sound Habitat is not a party to C17-1209RSL, and the Center for Food Safety is not a party to C16-0950RSL. While the parties may, and are encouraged to, coordinate briefing efforts to improve efficiency and avoid redundancy, each plaintiff must file papers in its own lawsuit.

January 11, 2018	Replies due. Defendants and Intervenors to consult on briefing to avoid redundancy.
Thereafter	Court sets Oral Argument on Cross Motions For Summary Judgment.

This Motion does not prejudice any party. Accordingly, the parties respectfully request the above revisions to the schedule.

Respectfully submitted this ___ day of October 2018.
